**TRI-ZONE HYDROTHERAPY™ SYSTEM**

Tri-Zone Hydrotherapy™ delivers three levels of relief to your body in a single spa! Overall body setting provides jetting from neck to foot. Lower body setting jets work your thighs, calves and feet. Upper body setting deliver therapy to the areas most in need – your neck, shoulder and whole back. Four Tri-Zone controls are strategically located throughout the spa putting everything at your fingertips.

**LUXURY CONTROL SYSTEM (MARQUIS SIGNATURE COLLECTION)**

The luxury control panel features nine buttons; soak timer to let you know how long you've been in the spa; real-time clock; quiet soak to shut down all jets and lights; panel lock; temperature control; light control; and settings control. Large LCD readout also features icons to show what system is running. Maintenance reminders are displayed on the LCD readout as well as individual LED lights indicate when it's time to clean the filters or change the water.
