

EXPERIENCE PURE **EUPHORIA™**

The Euphoria™ comfortably accommodates a crowd with seven generous seats. Sink in with the extra deep therapy seat. Or catch the footwell therapy from the other three corner therapy seats. But the most unique location in the spa is not a seat at all – it's in front of the therapy pillar where you move to massage all the hard-to-reach areas such as your chest and arms. Total relief is pure Euphoria™.

SEATING

Super deep soak seat with therapy pillar and footwell therapy; cool down seat; deep therapy seat with neck jets; multi-level seating.

POWERSHIFT™ THERAPY SYSTEM

PowerShift™ Therapy allows you to operate all the jets in the spa simultaneously without the loss of power. Dual zone controls are easily operated via a jet selector. Simply turn the selector to choose which area of the spa you want to activate – you can enjoy invigorating jet action while your spa partner can choose to soak in calm water.

COMFORT CONTROL SYSTEM

The waterproof Comfort Control panel features temperature, light, settings control and convenient soak timer. Maintenance reminders are displayed on the LCD readout to indicate when it's time to clean the filters or change the water. Settings lock keeps your temperature, filtration and heat settings safe, secure and tamper-proof.
