

MAKE YOUR **MIRAGE™** A REALITY

The Mirage™ is uniquely distinct from the average spa – just admire its seductive curves. The body-form lounge is higher than most to allow you to catch some fresh air while you soak. The deep therapy seat accesses the footwell jets while neck jets simultaneously soothe your aching shoulders. Plus, you can choose from a couple other positions in which to relax your body and mind. It's not a dream, it's a Mirage™.

**POWERSHIFT™ THERAPY SYSTEM**

PowerShift™ Therapy allows you to operate all the jets in the spa simultaneously without the loss of power. Dual zone controls are easily operated via a jet selector. Simply turn the selector to choose which area of the spa you want to activate – you can enjoy invigorating jet action while your spa partner can choose to soak in calm water.

**COMFORT CONTROL SYSTEM**

The waterproof Comfort Control panel features temperature, light, settings control and convenient soak timer. Maintenance reminders are displayed on the LCD readout to indicate when it's time to clean the filters or change the water. Settings lock keeps your temperature, filtration and heat settings safe, secure and tamper-proof.
