

my envy

My Envy™ has the power of whirlpool therapy – imagine a passive massage swirling your body with soothing relief. This model is a flashback from the past, replicating the original hot tub, but with all the amenities demanded today. Multi-level seating spirals around the Envy creating a variety of soaking levels including a cool-down seat. This spa is sure to be the Envy™ of my neighbourhood.

COMFORT CONTROL SYSTEM

The waterproof Comfort Control panel features temperature, light, settings control and convenient soak timer. Maintenance reminders are displayed on the LCD readout to indicate when it's time to clean the filters or change the water. Settings lock keeps my temperature, filtration and heat settings safe, secure and tamper-proof.

POWERSHIFT™ THERAPY SYSTEM

PowerShift™ Therapy allows me to literally shift from upper, mid, and lower back jets to soothing whirlpool therapy without leaving my seat – I can focus massage on the muscle groups most in need of relief. I simply turn the jet selector to choose which jets I want to activate.
